Little Sunflowers News

The Language and Play Team and Little Sunflowers Staff are to hold a coffee and chat session for all Flying Start parents to introduce the importance of reading and spending quiet time with young children, Language and Play will provide each family with a book bag and a choice of books which are to be returned weekly to Little Sunflowers.

There are a few children leaving Flying Start at the end of this term and they will carry on their play experiences at Lil Stars Playgroup Plas Madoc and Kiddiesworld Acrefair. Sharon and Little Sunflowers Staff would like to wish them all good luck with their move and thank their parents for continued support and look forward to meeting new children very soon.

Easter Egg Hunt

Parents of children who attend, Little Sunflowers Nursery, Raising 3's & Raising 4's plus Reception at Rhosyrmedre County primary – are invited to take part in our unique community based Easter egg hunt. The youngsters will be issued with willow baskets to collect the Easter Bounty. All this has come about through support from Plas Madoc Communities First Environmental Officer post which is funded through "The Big Lottery Fund", and who is keen to facilitate an annual rolling programme based around wildlife and the changing seasons. We have it on good authority that, The Easter Bunny will be in attendance.

Reflections

'Reflections' is a group for children aged 8-11, the group is aimed at children who struggle to access mainstream services on the estate, this could be due to a number of reasons including lack of confidence, shyness or physical disabilities. The group provides a wide range of activities and runs between 3.45 – 5.45, at the Opportunity Centre and is supported by qualified and experienced staff. A snack is provided for the children and all sessions are free, if you think you're child may benefit from this group or you would like more information please contact Claire on 813918

Community Safety

The Community Safety Group would like to reassure residents living in the Marlbrook area along Hampden Way that there are no plans to develop an off-road parking area on the grass adjacent to The Brook without their knowledge. In actual fact it has now been established that it will not be possible to deliver such a project at all. The issue was put forward, along with a number of other suggestions, as a potential solution to the parking and speeding concerns raised by residents in the area. Nothing would have been taken forward without the consent of all residents in the location and this goes for any future proposals for this area.
