Neighbourhood Recycling

As you may know WCBC installed a Neighbourhood Recycling Site in Plas Madoc two years ago to enable local people to recycle paper, plastic bottles, cans, glass and cardboard. It is now necessary to move the site from its current position at the rear of the Leisure Centre. Neither PMCF nor WCBC wish to see the facility lost from Plas Madoc altogether, so it has been suggested that it be moved onto a small section of the car park at The Opportunity Centre.

The site will continue to be visited by WCBC staff on a daily basis to ensure it is not causing any difficulties. We therefore want to know your views, so please get in touch.
