

New Venue Website

This week young people that attend the Venue Youth Club will be getting involved in designing a new website for The Venue. Working alongside a web designer, young people will have a say in the website's content and design, including ideas for online projects, games and information.

If you have a son/daughter/grandchild that does not currently attend the Venue, please feel free to pop into the Venue any night between 4.00 pm – 9.00 pm to find out more or alternatively contact Siân Hughes on 813918.

Thank You

Youth Workers would like to say a special thank you to Jason Murphy who handed in a mobile phone he found on the MUGA. Jason notified the Youth Workers who helped to return the phone to its owner. Jason has been handed a 'Green Card' at The Venue, to recognise and reward his honesty. To find out more about the Green Card system call into The Venue or contact Siân Hughes on 813918.

PMCF staff would like to thank Sarah Gray for her kind donation of football boots to be taken to the Gunjur Project, Gambia in Jan 2010. Football is a very popular sport in Gambia with many people having to play in poor footwear so this donation will be very gratefully received. For more information about donations please contact Clare Barnes 01978 821210 or 813910.

Inclusion Project

Throughout the summer holidays Plas Madoc Communities First ran an inclusion project in partnership with Wrexham County Borough Council. The project was aimed at children and young people who may have difficulties accessing services provided, the staff at 'Get Out and Play' worked closely with parents and children ensuring they would be getting the support they needed to enable them to attend the playscheme throughout the summer holidays. Due to the success of the project we will be reintroducing it in October half term, if you think you're child / children may benefit from the support of a key worker to enable them to access play opportunities, please contact Claire Griffiths on 813918 or pop into the centre.

Little Sunflowers Child Care

Little Sunflowers would like to say a big thank you to PC Chris James from Cefn Mawr Police Station who visited the Flying Start and Rising 4 's children on Friday. The children really enjoyed having a sit in the police car and operating the sirens and different lights. The visit was thoroughly enjoyed by staff and children and more visits are to be arranged in the near future.

Community Information

If you require assistance with looking for services available in your area and you don't know who to ask then why not contact The Family and Community Support Group who may have the information you are looking for. We are based at The Opportunity Centre and are available most mornings. If you would like to know more about this group then please contact Sharon Evans on 01978 813916.

Halloween

Halloween is nearly upon us. Plas Madoc Communities First is hosting another spooktastic Halloween event; tickets will be on sale this week. For more information or to purchase a ticket pop in to the Opportunity Centre and ask for Sandra or call 813910.
